
Alcohol – Tobacco - Drugs Research

Name _____ Teacher _____ Period _____ Points _____

On this **note taking guide**, record **main ideas**, then list **details** beneath in a bulleted list. Look for and record information for each of the **sections** below. **Record the bibliographic information on the back of this sheet.** From these notes you will produce an **informative brochure** for a high school guidance office. **This completed note taking guide and the brochure will be turned in.**

Topic:

Describe the drug. Where does it come from? What is its history? What is in this drug? What are common street names for this drug?

What are the **short term or immediate** effects?

What are the **long term effects** on either the brain or other body parts?

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
